The Product Security and Telecommunications Infrastructure (Security Requirements for Renewable Connected Products) Regulations 2023

Applied standards and guidelines:

This compliance statement was prepared by the manufacturer and is based on the testing report from Lyns-tci Technology Guangdong Co., Ltd. (abbreviation: Lyns-tci). According to the Cyber Security test items related to ETSI EN 303 645 specified in the 'The Product Security and Telecommunications Infrastructure (Security Requirements for Renewable Connected Products) Regulations 2023', the test results on the above product samples were found to meet the requirements.

This verification does not imply assessment of the production of the product.
